# ABOUT MHA EXPORT INDUSTRIES PRIVATE LIMITED

Founded six years ago, MHA Export Industries Pvt. Ltd., under the brand name The Xport, is a dynamic Indian company committed to taking the richness of Indian products to the global market. We specialize in the export of marine products, seafood, agricultural goods, green products, textiles, publications, and spices & spice powders.

Our mission is simple yet powerful — to promote Indian commodities internationally while fostering sustainable, inclusive trade. At The Xport, we believe trade is not just about products; it's about building connections, empowering people, and creating opportunities.

We collaborate with small and medium-sized enterprises, helping them grow through global exposure. Our initiatives support women, youth, and refugees, providing employment and enabling digital connectivity and green, responsible trade.

With integrity, quality, and customer satisfaction at our core, The Xport ensures that every product we deliver reflects India's heritage, purity, and authenticity. We don't just sell goods — we build trust, relationships, and global partnerships.
